	Issue	Discussion	Action
	Welcome	Meeting called to order at 6:20 p.m.	
	Attendance and Approval of Minutes	September minutes review. Motion to approve Wendy Shipman, second Margie Hamberg. Unanimous vote to approve.	
	Treasurer's Report	Handed out most recent treasurer's report with balance as of 9/30/18 of \$1,879.83. Anissa was not present so if there are questions, please e-mail her or we will address at next meeting. Lyndsi made a motion to approve, Jeff seconded. Unanimous vote to approve.	
	Old Business	Between the August and September meeting, there was an e-mail vote to authorize spending up to \$200 for Homecoming fanfare. Wendy, Jeff, Lisa, Dave, Margie, Dawn all voted yes, no "no" votes.	
	Committee Reports		
	Concessions	There was an ad in the Shopper for the Texas Road House fundraiser. We need to get Board of Health approval for basketball concessions. Jeff Humphrey will work on getting volunteers signed up to work the concession stand for all home basketball games. Possibly use Remind for sign-ups. We are exploring getting our own labeled water bottles to sell in the concession stand by a company in King Ferry. We will have to raise the price to \$1.25. Perhaps have a student design contest in the future to design a label.	
	Fundraising	Possibly have a fundraiser in December at Chili's and one in March at the Dryden Hotel. Nick Totman has a new BBQ business and will be doing an event at Hopshire on Nov. 24 we might be able to take part in. Wizards game is Oct. 24. Lyndsi will send something out.	
	Membership	We have had people at open houses to try and sign up new members.	
	Public Relations	No report	

	Disbursements	None	
	Athletic Director	Todd Kwiatkowski joined us for the first time as the new athletic director. There was wide ranging discussion on a number of topics from questions around Homecoming to new unified sports teams for boy and girls, a youth activation committee for 9-12 grade students, and issues Dryden has in hiring coaches given how woefully behind the district is in pay. More money was spent at the beginning of the sports season than we had so there will be no more uniforms purchased this year. Todd wants to cultivate a good working relationship with TC3 for a myriad of reasons.	
	New Business	Promotions of athletics at Dryden. Claudia raised concerns about how athletic meets and games are communicated to the public. Sometimes very difficult to find accurate information, even if you're the parent of an athlete. Mr. Kwiatkowski agreed we need a more visible link on the school page.	
	Next Meeting	Thursday, November 8 at 6:30 p.m. Dryden High School Library conference room.	
	Adjourn	The meeting adjourned at 8:05 p.m.
