#	Issue	Discussion	Action
	Welcome	Meeting called to order at 7:06 p.m.	
	Attendance and Approval of Minutes	May minutes review. Motion to approve Diedra Harkenrider, second Margie Hamberg. Unanimous vote to approve.	
	Treasurer's Report	\$32,627.49 balance as of the end of May with \$6,029.19 in unspent disbursements. Motion to approve by Lisa Cavataio, second by Margie Hamberg. Unanimous vote to approve.	
	Old Business	<p>Basketball rebounder: This item has come up a few times and been tabled. Diedra has two prices. One from Dr. Dish \$5870 – special price including shipping must be ordered by June 30.</p> <p>Shoot Away - \$6300 including shipping of \$300 – this is the price with no date limit. This model folds down to fit through a regular doorway</p> <p>Diedra will find out warranty information.</p> <p>Wendy will reach out to Larry Hinkle and let him know item is still tabled but we have the money. We would need a formal disbursement request.</p> <p>Discussion about how and if we would ask basketball to contribute. It was decided we will have a full discussion at the July meeting.</p>	
	Committee Reports		
	Concessions	Margie purchased a griddle so we can return the one we borrowed.	
	Fundraising	Wendy proposed the idea of a shirt or pullover that is just a general Dryden Athletic one that we might sell. She will explore options.	
	Membership	We have some new names from modified sports.	
	Public Relations	Jeff will follow up with Butch McGuerty about the three sport programs to understand the particulars of how it works and then determine if it's something we want to continue to do in its current iteration.	

	<p>Disbursements</p> <p>Athletic Director</p>	<p>None</p> <p>No report</p>	
	<p>New Business</p>	<p>Run for the Pride business sponsorships: There is a list of local businesses and people who have agreed to reach out them for sponsorship. We have a letter that explains the fundraiser for potential sponsors.</p> <p>Harlem Wizards are coming to Dryden October 24 at 7:00 p.m. Concessions, 50/50 raffle and proceeds from the sales of related items have been offered to DSB. We will need a volunteer to head up this effort.</p> <p>Senior Athletic Awards feedback:</p> <p>Had lots of volunteers</p> <p>Prizes at the end are popular</p> <p>Need to make sure we do not miss announcing athletes who are in attendance. We need a list, a coach who knows all the students (this was Bryan Ford in the past) and then go through the list to see if there are students who are there but didn't sign the paper. DSB president, when they announce program will begin shortly, needs to add that any student who didn't sign up needs to sign up now. If we continue with a school band, we need to check those members as well..</p> <p>Athletics also needs to make sure they check for any athletes who have set school records – we had one who did not get acknowledged.</p> <p>We can't use the current PA system any more. If there is not a better one in place by next year, DSB needs to rent something. Many announcements were impossible to hear and/or understand this year.</p> <p>An athlete should not be given two awards, with the exceptions being the award from the Murphys and ours. There are enough athletes who deserve something that they should be able to divvy them out.</p> <p>We need a plan for leftover food at the end of the night. In an effort to get attendees to eat more of what's provided, we should make up platters with a variety of items and place them on the tables where people are sitting.</p>	

		<p>Coaches need to attend. The date of the banquet is on the calendar a year in advance.</p> <p>Bring back the slide show</p> <p>Have an emcee who can run the program and create a script for the evening</p> <p>Have a student DJ instead of the jazz band</p> <p>Display the trophies</p> <p>Also need to make sure disclaimer appears on any printed posters, awardee lists etc. that the awards are Dryden Athletic awards, decided by coaches, not Sports Boosters.</p> <p>Consider making the event a dinner.</p>	
	Next Meeting	PLEASE NOTE DATE CHANGE. Next meeting: Monday, July 23 at 6:30 p.m. Dryden High School library	
	Adjourn	The meeting adjourned at 8:41 p.m.
