	New Business	There will be no home games this fall due to construction. CHS booster club may do something to help. Wendy has been in touch with them. To use Cortland State's concession stand they require we pay for a supervisor at \$25 an hour, 10% profits for use of facility, 15% of profits for use of equipment. This would leave DSB with very little profit. Proposal is to have a tent with limited concession offerings. We would have to have Coke products since Cortland has a contract with them. If we go this route,	

		<p>we will need a LOT of help transporting things to Cortland State. Cannot rely on just Margie and Dave. Margie will put out an email to try and get volunteers and see if we can put together a committee to help and has out details.</p> <p>Other ideas to replace the lost revenue would be dinners at Texas Road House, Chili's, Harlem Wizards game in October, Harlem Wizards, possible basketball tournament and pee wee wrestling tournament. Aniisa Sanford would be willing to work on putting together a golf tournament in the spring.</p> <p>Profit of \$1,545.10 for the year 17-18; DSB balance \$33,419.01 as of 7/31/18</p> <p>We reviewed the proposed 18-19 DSB budget. Please see attachment for details. Motion to approve made by Margie Hamberg, seconded by Lance Cole. Unanimous vote to approve.</p>
