| | <p>New Business</p> <p>Diedra's DSB Presentation</p> <p>Sherwood Thanks</p> <p>Compliance w/DHS</p> <p>New Award</p> <p>Community non-DSB PR</p> <p>Ice Cream Truck</p> <p>Motivational Speaker</p> <p>Mascot</p> | <p>Diedra did a wonderful presentation of what DSB has done in the past using posters / pictures. Amy suggested having all this scrolling on the website. Lance said he'd try to get it up there.</p> <p>Sandy Sherwood came here to thank DSB for the work that we've done.</p> <p>Compliance – the school requests that in order to be recognized as a booster club for DH that every year Amy submit who the officers are, the website, bi-laws, budget, high lights and expected fundraising for the coming year. Also state that DSB doesn't require/request participation to be part of a sports program, don't discriminate, etc</p> <p>Wendy asked about taking over Ralph B award or doing a Volunteer award of the year – should it be done at the Sr Award night or during a DSB event? More discussion is needed. Jerry will take the lead for a Booster award, etc</p> <p>There is a "rouge" football calendar in the community that is not associated with DSB. There isn't anything we can do about it but we are concerned that the businesses will think any proceeds are being forwarded to DSB. We need to think of the best say to make local businesses aware they are not associated with DSB or DHS.</p> <p>Nick has once again requested to bring his truck to the homecoming game. He will give us a check for the profit at the event. Sandy gave her OK as long as she says he's with DSB</p> <p>Ken Bartolo – Syracuse area native who started using steroids and then went into a downhill spiral. Diedra had heard his speech is very compelling and felt it might be something DSB could sponsor that would be beneficial to the entire school.. The cost is approximately \$1000. We need to see what the School has to say.</p> <p>Cheerleading is requesting a new mascot outfit. AD Ford is looking at mascot uniforms and has several choices.</p> | |
