This is something that other sports could also use (soccer, basketball, volleyball). The amounts vary depending on the quality. Hi-Pod Lite, 25 feet high, \$2,600 – Hi-Pod, 31 feet high, \$4,900 (available with a wall mount, too). Football would be the main keeper of it, but able to be signed out to other sports. After discussion, It was decided to table this decision until June.</p> <p>Krista Gillette presented on the Dryden Games and asked for \$510. This was a huge success last year. Each child (this year they consist of Dryden kids and BOCES kids) gets a buddy for the day. They all get a backpack with water and snacks, and a shirt. This year they would like to do a balloon launch in memory of Nick Patte, and silicone bracelets in lime green with the 2016 hero being Nick Patte.
