	Committee Reports

	Fundraising	Diedra sent in information on previous year's raffle. This year's raffle generated the lowest income over the past six years. It might be time to think of other fundraisers.	
	Membership	Nothing to report.	
	Public Relations	Nothing to report.	
	Disbursements	Krista Gillette came to thank us for the bracelets we donated and balloons for Dryden Games, and for the letters and pins. Her request this year is for medals, backpacks, or water bottles. She asked for \$900. We encouraged her to go to board for future money. Wendy Shipman made a motion for up to \$900.00 for medals; seconded by Lynne Day; motion passed.	

	<p>New Business</p>	<p>Bryan Ford, Aaron Newman, and Laszlo Engel came to discuss Iron Mind. Laszlo explained it was a valuable experience not only for the kids but also for him. It helped fine tune exercises and saved him time so he could focus on other things. All levels of athletes benefited and were more motivated. Said Aaron was great to work with and would like to see more equipment and start earlier in the season. Would like sleds and kettle balls.</p> <p>Aaron would like to start earlier next year screening. He had to wait for DSB approval and board approving. Moving forward he will be able to do more because the base is already there. Roughly worked with 170 athletes.</p> <p>Jerry indicated the basketball state championships will be in Broome County. He received an email trying to get local support from each school district by buying 10 tickets. Lance will get information on FaceBook and see if anyone is interested.</p> <p>Wendy discussed an idea of switching from raffle to an adult dinner dance. Meegan Babcock and Lyndsay Prignon have volunteered to lead this committee.</p> <p>Dave Allen suggested buying TV's and selling a set number of raffle tickets. He knows other programs that have made upwards of \$7,000 from 300 tickets.</p> <p>We decided to dedicate more time at the next meeting for fundraising ideas. There was a brief discussion about chuck-a-puck at basketball games.</p> <p>There was discussion for a motion for Dustin Mondics for \$100 donation to his family. Discussed in depth what would benefit the family the most. Decided to table this motion at this time and discuss again at next meeting. Don suggested waiting and giving them restaurant gift card.</p>
