#	Issue	Discussion	Action
	Welcome	7:05 p.m.	
	Attendance and Approval of Minutes	Jerry Goodenough made a motion to approve the minutes from the March meeting; seconded by Lisa Cavataio; motion passed.	
	Treasurer's Report	Reviewed the budget as of March 31, 2017, with a balance of \$31,230.69. Lisa Cavataio made a motion to approve the budget; seconded by Wendy Shipman; motion passed. Notes: (1) remember our budget review is in August for the Fall; (2) our revenues are down a little this year; (3) keep in mind for budget to purchase software for the treasurer (Quickbooks).

	Fundraising	Dance: Meegan Riker reported through Jerry Goodenough that she will pursue the dance and will check in with Wendy and Diedra for guidance. This will be an adult dance; a nice night out for parents. It was suggested that athletes offer babysitting. Online store: Bryan put an email out to coaches about this regarding wanting to centralize orders for apparels. We may be able to start this with some nurturing, etc. It would be a nice steady income for us. Some of Bryan's concerns with the process: (1) offer some general Dryden apparel in addition to sport-specific apparel; (2) pick a couple coaches that are willing to participate and start with them; (3) some flexibility is desired (per sport); (4) out of town vendor v. keeping local? Discussion: Get a subcommittee set up (Jerry will send an email to see who will do this). Choose a point person and find a store/vendor. Money for general sports merchandise could come back to DSB; money for specific sports could go back to that sport. This could turn out to be our key fundraising event.	
	DSB Senior Scholarship	Applications are slowly trickling in.	
	Awards Banquet	Contributor of the year was chosen. There will not be a speaker this year.	

	Discount Cards	<p>Instead of using the cafeteria tables (which can get uncomfortable), we are going to be bringing in tables (Dryden Fire Department or a church?); there are chairs within the school that can be used.</p> <p>We decided to go ahead with this again. 500 cards; price, etc. is the same. Jerry asked to have suggestions emailed to him of vendors we would like removed and added. (Ideas tossed around at the meeting were to add Toad's Two, Cortland Diner; and remove Wings Over Ithaca, Walden Oaks)</p>	
	Committee Reports		
	Concessions	<p>Bonnie mentioned the BJ's memberships are up for renewal with no price increase. She will change to make Sharon the primary.</p> <p>Bonnie announced that she is burnt out from the amount of time she puts into concessions. She is working on finishing touches on a binder of instructions. She need someone else to take over at the June meeting. We will need someone, especially for Fall season, for closing the stand and knowing the supplies.</p>	
	Fundraising	Discussed under Old Business.	
	Membership	No report.	
	Public Relations	No report	
	Disbursements	Bryan Ford came with request for funds to help pay for items for the Student Service Day, including, but not limited to, paint for baseball dugout, flower box for under the softball scoreboard, sharpen the grass/dirt transitions on baseball field, and scoreboard replacement at baseball field. A motion was made by Jerry to spend up to \$800 to reimburse the school for purchases already made for the Student Service Day event; seconded; motion passed.
